Some striking features of this flat that may not be apparent from the images include:

- There are two stunning fireplaces both of which have cast iron features
- The lounge is over 17 ft and spans the width of the building making this ideal for a seating area and dedicated dining area
- Overall floor space of approximately 700 sq ft which is the size of a small house
- A few steps in the hallway and high ceilings make the property feel spacious and split level which adds to the charm of the layout

The property is located approximately 0.6 miles from the main hub of Forest Hill which offers many cafés, restaurants and recreational facilities. Forest Hill station provides transport via the East London Line with links to many London Stations including London Bridge in Approximately 15 minutes.

The property is also less than a mile from the open space of Blythe Hill fields and its panoramic views over Canary Wharf, the City, Kent and Surrey.

For those tenants who don't know the area so well here is a summary of transport and recreation found locally.

Three train stations are located approximately 0.5 to 0.8 miles from the property and offer some of the following travel times to central London stations:

Bus routes are available along the road and for late night travellers, night bus N171 runs from Tottenham Court Road through Waterloo, Elephant & Castle and stops at the junction of Brockley Rise which is almost opposite the property.

Local high streets include Honor Oak, Forest Hill and Catford, where you will find Sainsbury's, Tesco, your choice of boutique cafés, restaurants and trendy gastro pubs, as well as leisure centres, libraries and even the odd cocktail bar...

Catford town centre is approximately 0.8 miles away but if you ever fancied a greater selection of shops, eateries and social activity there are travel connections to the adjoining towns of Lewisham and Bromley both of which have shopping centres and high streets with many well-known brand name shops and restaurants.

Locally, there are numerous points of interest and some of the most popular include:
