DESCRIPTION

A well presented, and previously extended, three-bedroom semi-detached home with rear conservatory as well as driveway & garage providing parking.

Situated within The Rise, a popular residential area within Ashford, with one of the homes features being that it backs onto green-mature woodland and offers a extension to boasts further reception space on the ground floor! Presented well throughout, additionally offering larger accommodation than some of the similar style homes within the rear thanks to that thoughtful rear-extension which leads through to the rear sun-room, bathing the rear of the home in natural light.

The homes accommodation consists of a spacious family lounge to the front with picture window, as well as a ground floor bathroom which services the bedrooms upstairs. The rear offers another reception room which is connected to the kitchen area, providing a charming flow to the properties layout.

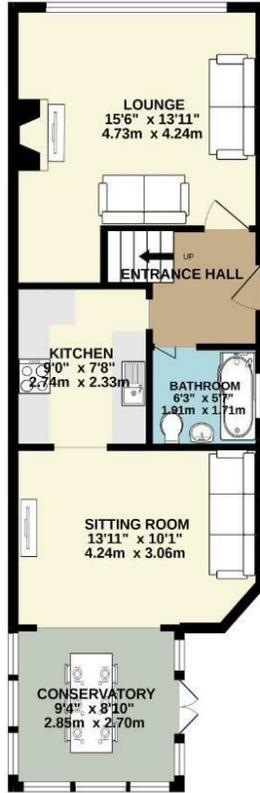

Upstairs you'll find 3 bedroom, 2 doubles and a further single bedroom, with the bonus here being that eaves had previously been removed, which results in better standing height in the 3rd bed. The largest of the three bedrooms over looks the updated rear garden & woodland to rear.

Externally, considering the homes extension, you still have a great sized rear garden here, with a large patio that runs the width of the home, and is accessed both via the sun-room and via the side access gate too. At the front of the home there is a driveway which offers space for 2-3 cars as well as the garage which offers plenty of storage for a growing family to utilise. At the base of the garden is a further patio area, ideal for the summer sun as well as rear gate, ideal for those with pets!
