A substantial 4 bedroom town house with solar panels and EV charging point. The property is in good order throughout with three bathrooms, parking to the rear with a reconfigured garden and garage semi-converted to a reception room. Solar panels have been installed which provide a saving on monthly electricity bills.

The accommodation comprises of a hall with built-in bespoke cupboards, kitchen/breakfast room extra base units and built-in fridge/freezer, oven, hob and extractor hood, breakfast area with French doors to the rear garden, study with built-in window seat (currently used as a dining room) and door to the former garage/gym.

On the first floor there is a good sized, light and airy living room, main bedroom with Juliette balcony and large ensuite shower room. The fourth bedroom is currently in use as a study.

Two further large double bedrooms can be found on the second floor, one of which has an en-suite shower room attached, as well as the family bathroom.

The gated side access from the front leads to the larger than average rear garden with newly erected garden shed, base lighting and summerhouse/workroom used by the vendors as a cinema room/bar. The rear gate leads to the end of a private road owned by the neighbouring houses and used for their parking only. Our vendor currently parks two vehicles there with scope for a further two vehicles.

Nearby amenities include a supermarket, food outlets and primary school. The secondary school and retail park with shops, hotel and gym are within easy access.
