Haxby

The town boasts a diverse range of shops, primarily located along its main street, complemented by two small shopping centres. Amenities and services in the area include a post office, two pharmacy's, pubs, cafes, restaurants, independent shops and local schools, making it a convenient and well-rounded community.

Property Description

To the side of the property, a double-glazed entrance door opens into the well-appointed kitchen. The kitchen is fitted with a range of base and wall units complemented by roll-top work surfaces, a stainless steel sink with mixer tap, and a selection of integrated appliances, including an electric hob, eye-level electric fan oven, separate grill oven, under-counter fridge/freezer, and washing machine. There is ample space for a dining table and chairs, windows to two elevations providing natural light, and a door leading through to the inner hall.

From the inner hall, doors lead to the living room, both bedrooms and the shower room. A loft hatch with ladder provides access to the loft space, which we are advised is partially boarded.

The sitting room, located to the front of the property, features a fireplace where the vendor currently has an electric fire in situ, alongside a large window overlooking the front garden.

The main bedroom was previously two separate rooms and has since been combined to create a generous, well-proportioned space. It is fitted with a range of built-in furniture, including wardrobes and a dressing area, and benefits from windows to both the side and rear elevations, overlooking the garden. The second bedroom is also a comfortable double, complete with fitted furniture. Within one of the wardrobes is the gas boiler and water cylinder. A double-glazed door from this room opens into the conservatory/garden room.

The conservatory/garden room offers additional living space, with windows to three elevations and French doors opening directly onto the rear garden.

The shower room comprises a corner shower cubicle, hand wash basin set within a vanity unit, and WC, together with a central heating radiator and a side window.

Externally, the property benefits from a single garage (measuring approximately 6.32m x 2.81m) with up-and-over door, power, lighting, and a rear-facing window. To the front, a lawned garden and driveway provide off-street parking and lead to the garage. The enclosed rear garden is mainly laid to lawn with well-kept borders, offering a pleasant and private outdoor space.
