## Property Description

Stepping into the property from the side elevation, you're greeted by an entrance hall with wood effect flooring that flows seamlessly into the kitchen. This hallway leads to the dining lounge, extended breakfast kitchen, three bedrooms and the bathroom.

The dining lounge boasts windows to two elevations, including a large bay window and an arched window on the front. An electric fire sits in a surround, along with TV and telephone points.

The breakfast kitchen is equipped with a range of wall and base units, ample worktop space, an integrated composite sink with a mixer tap, and a variety of integrated appliances like a ceramic hob, double electric oven with grill and dishwasher. There's also space and plumbing for a washing machine and a fridge freezer, plus a door leading to the rear garden.

Three bedrooms are all accessible from the hallway. The main bedroom features a range of fitted furniture including matching wardrobes, dressing table and bedside units, while the second bedroom has a sliding door that opens onto the conservatory. This conservatory is fitted with side and ceiling blinds and French doors that provide access to the garden.

The bathroom includes a bath, a step-in shower cubicle and a hand wash and toilet set in a vanity unit. Two opaque windows on the side elevation and a heated towel

radiator add to the comfort.

Outside, the front garden boasts established trees and hedges, complemented by artificial grass for easy maintenance. A driveway offers ample off-street parking and leads to the garage, which features an electric roller door, power and lighting. A personnel door to the rear of the garage provides access to the rear garden. This south-facing enclosed garden is mainly paved and gravelled for easy upkeep.
