FULL DETAILS

This garden-fronted Victorian mid-terrace is located in the Town Centre, convenient for the many shops and cafes, as well as schools, medical facilities and Metro Station, as well of course as the sea front. Spanish City's famous dome is visible from the house.

The property is well-proportioned, with spacious living accommodation, ideal for a family. The house is well presented, and decorated in a neutral style to a good standard. Fully double glazed with gas central heating.

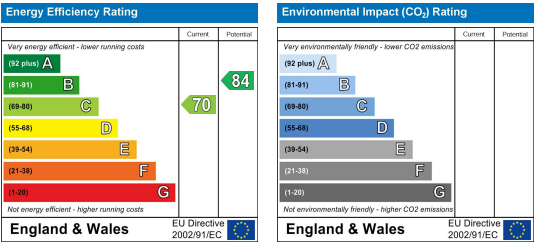

The UPVC front door opens to a bright entrance hallway, which opens into a big open-plan living space. There is a lounge area into the front of the property, with bay window, thick brown carpets and fireplace with modern electric fire. This is through to a dining area, which has wood laminate flooring, and is painted in a lighter co-ordinating shade. There is original decorative cornice work throughout this space.

The large modern kitchen is accessed via the dining room, and is fitted with ample beech-style units, as well as integrated cooker, hob and extractor. There is space and plumbing for a washing machine, and a breakfast bar. There is also a backdoor accessing the large rear yard, which provides relaxing and enjoying outdoor space.

Upstairs in the property, there is a large landing, with plenty of space for storage furniture, and providing access to the first floor rooms as well as the loft. There are two double bedrooms, and two singles. The bathroom has a modern finish, recessed spot-lighting and is fitted with white w.c, basin and bath with shower over. The loft is boarded out.

With great location, outdoor space and modern finish, this home is bound to go quick! Especially as pets will be considered.
