The Home -

Occupying the top floor of Limehouse Lodge, this three-bedroom penthouse apartment is defined by its exceptional outdoor space and far-reaching views across the River Lea, Millfields Park and Walthamstow Marshes. Extending to over 850 sq ft internally, the apartment unfolds around a dramatic open-plan living space with full-height glazing and direct access to a remarkable private west facing roof terrace measuring almost 30 ft in length, plus a separate balcony off the principal bedroom. Rarely do apartments of this scale offer such a seamless connection between indoor and outdoor living, particularly with uninterrupted views over water, mature trees and the London skyline beyond. Swift access to the city and central London is easy with Clapton overground a short walk away, plus secure- gated underground private parking space is a real bonus.

The Indoors

The apartment is arranged across a single floor and has been thoughtfully updated to create a calm, contemporary home. At its centre sits a substantial open-plan reception, kitchen and dining room spanning over 21 ft in width. Floor-to-ceiling glazing wraps the living area, drawing in natural light throughout the day and framing views across the terrace and surrounding landscape. Sliding doors open directly onto the roof terrace, allowing the living space to spill outdoors during the warmer months.

The kitchen is finished in a restrained palette of charcoal cabinetry, pale stone-effect worktops and brushed brass hardware. Integrated appliances are neatly concealed, while ample storage and generous preparation space make it equally suited to everyday living and entertaining.

The main bedroom enjoys its own private balcony overlooking the river and benefits from an en-suite shower room finished with large-format porcelain tiling, black fittings and contemporary sanitaryware. Two further bedrooms sit quietly off the hallway and are served by a well-appointed family bathroom complete with bath and overhead rainfall shower. Both bathrooms have been recently upgraded and continue the apartment's clean, modern aesthetic.

Throughout the apartment, oversized windows, high ceilings and neutral finishes create a sense of openness, while the elevated position ensures excellent levels of privacy and natural light.

The Outdoors

The standout feature is undoubtedly the private roof terrace. Extending to approximately 29 ft, it has been arranged as a series of distinct outdoor zones, with ample space for dining, entertaining and relaxing. Surrounded by planting and enjoying panoramic views across the River Lea, nearby parkland and the Canary Wharf skyline in the distance, it feels more akin to a rooftop garden than an apartment terrace.

A second balcony that overlooks the River Lea and Millfields Park is accessed directly from the main bedroom, providing a quieter vantage point for morning coffee or evening sunsets.
