The Indoors

The first-floor reception is a generous room with high ceilings and large sash windows that flood the space with light. Alongside it sits a practical separate kitchen with room to create a stylish open or semi-open living-kitchen space (subject to the usual planning consents) Upstairs there are two well-sized bedrooms the principal one matching the reception in scale and brightness plus a straightforward bathroom. Throughout, the proportions, ceiling heights and natural light are strong. The renovation potential is clear: strip it back, reconfigure where it makes sense, and create a bright, contemporary two-bedroom home with real character.
