The Indoors

As you step through the entrance, you are immediately welcomed into a spacious open-plan living and kitchen area. Designed with a eye for detail, this space offers a seamless flow while maintaining distinct zones for cooking, dining, and relaxation.

The kitchen is a clean, efficient space with ample storage. Equipped with a Nardi fan oven and gas hob, Indesit fridge freezer, and a dishwasher (Hoover), the kitchen offers everything you need for modern-day convenience. The Vaillant boiler ensures a reliable and energy-efficient heating system, while the Nest thermostat allows for temperature control.

The living area is impressively spacious, with plenty of room for a comfortable sofa, entertainment setup, and a dining area. Large window doors flood the space with natural light and provide direct access to the charming back garden. Additional windows strategically placed around the room enhance the bright and airy ambiance.

To the right of the entrance, you'll find the bedroom, a peaceful and ample space for a double bed and wardrobe storage. Floor-to-ceiling windows allow natural light to pour in, creating a warm and inviting atmosphere.

The main bathroom, fully renovated in 2018, features a sleek and stylish design with high-quality tiling, a bathtub with a showerhead, and modern fixtures and fittings.

The Outdoors

The garden, completely redesigned in early 2021, is a wonderfully private outdoor space perfect for relaxation or entertaining. Thoughtfully paved with a charming brick frame, it offers dedicated areas for planting flowers while still providing ample space to set up a dining area or lounge with a drink in hand. A handy shed provides additional storage for gardening tools or outdoor essentials. Despite its urban location, this courtyard oasis remains peaceful and serene.

Loving The Location

This home is situated perfectly between Dalston, Islington, De-Bauvoir, Hackney Central and Newington Green. Close by is the entrance to Ridley Road market, considered by many to be the beating heart of Dalston's community. It has run every Monday to Saturday since the 1880s and includes over 150 stalls, offering fresh produce from around the world. Dalston has an eclectic range of bars, restaurants, cafes and lifestyle including Oren, Popo's Bagels, Brilliant Corners, Mangal II and many excellent pubs including the Hunter S and The Duke of Wellington.

De Beauvoir is a short walk away, known for its charming residential streets and strong sense of community. The area has a village-like atmosphere, with tree-lined roads leading to fantastic cafés, bars, and restaurants. Some highlights include The Scolt Head, De Beauvoir Deli, De Beauvoir Arms, and Sweet Thursdays, all popular with locals. Just around the corner, Dan's wine bar is a well-loved spot for a drink. If you enjoy great food, lively pubs, and independent shops, De Beauvoir has plenty to offer.

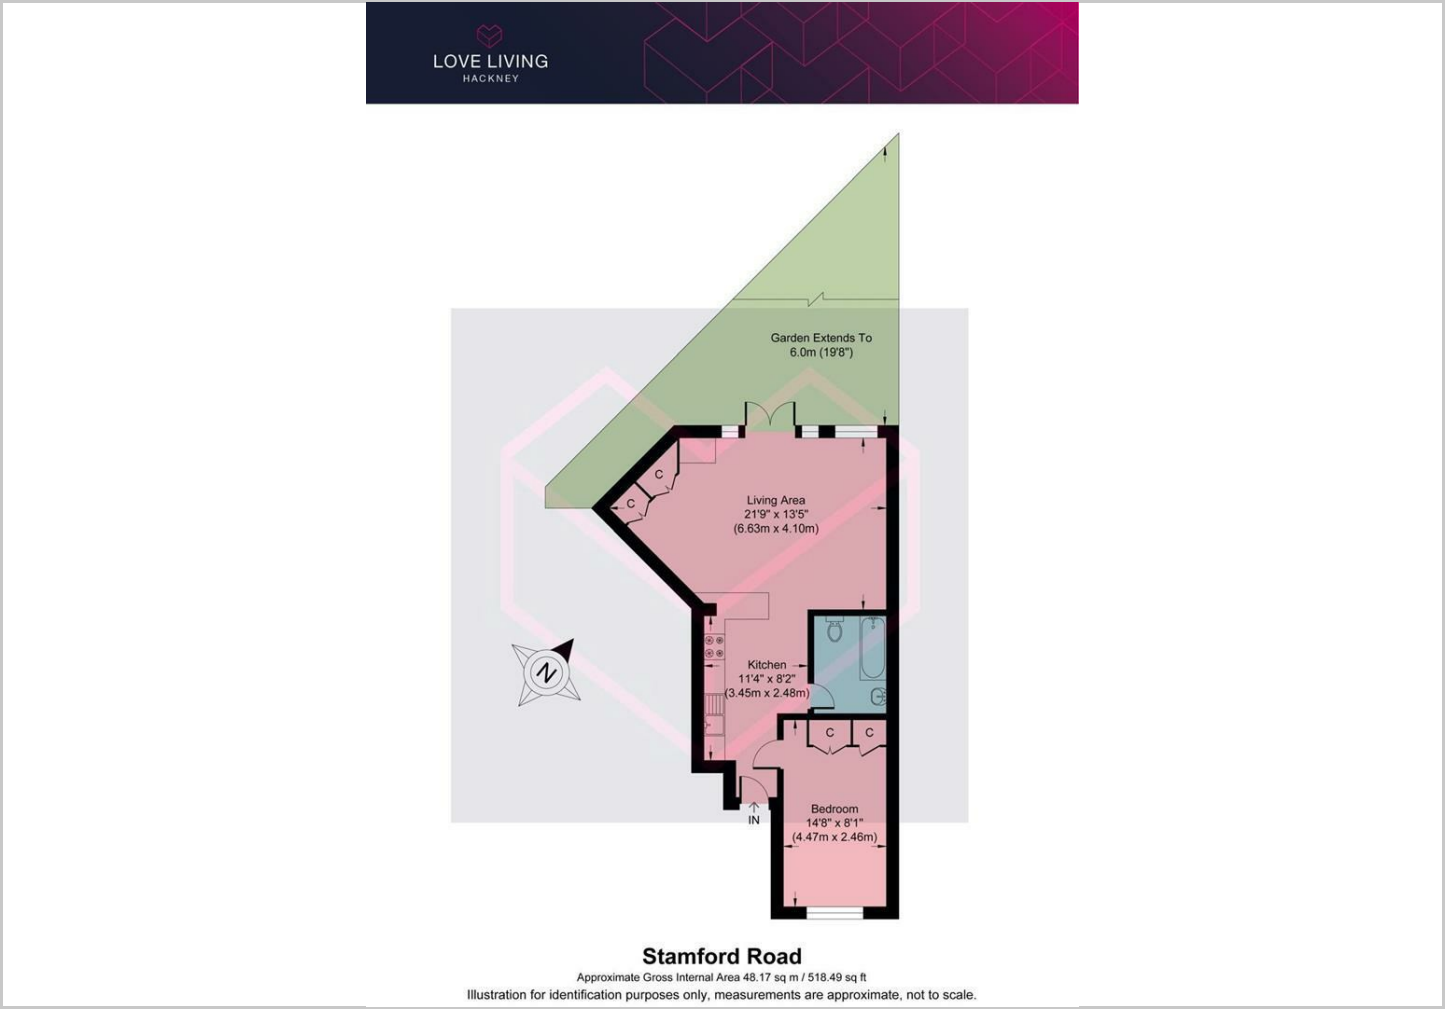

Dalston Junction and Kingsland stations are moments away, providing transport links on the east/west and south-bound branches of the London Overground. Nearby Hackney Downs station provides links to Liverpool Street in less than ten minutes. Buses run regularly to London Bridge and the City from nearby Kingsland Road.
