The Indoors

As you step into the interconnected hallway, you're immediately drawn into a space that promises both warmth and sophistication. Straight ahead, on the right-hand side, you'll find the heart of this home, an open-plan kitchen and living room that invites you in with its spacious design. The living room, bathed in natural light thanks to traditional walls creates an atmosphere that's both fresh and airy. The expansive window also opens onto a beautiful balcony, adding an outdoor extension to your living space. The wooden flooring complements the room perfectly, adding warmth and grounding the abundant light, making this the ideal spot for both relaxation and entertainment. Tucked away in a corner of the living room, the kitchen feels like a private oasis. Its strategic placement ensures an intimate cooking experience while maintaining easy access for those moments when efficiency is key. The kitchen's design is a balance of modern convenience and aesthetic appeal, featuring tiled flooring, wooden cabinetry, and built-in appliances like an oven and a stylish fridge-freezer.

As you leave the main living area, the main bathroom awaits you just ahead. This bathroom offers ample storage space, a modern bath, and contemporary fixtures that make every day routines feel like a treat. The tiled flooring and bath not only offer easy maintenance but also add a touch of sophistication. The heated towel rack is a thoughtful addition, bringing a cosy element to the space. Adjacent to the main bathroom is the main bedroom with an abundance of natural light streaming in through two floor-to-ceiling windows, this room is designed to be a restful retreat. There's ample space for a double bed, and the wooden flooring that adds a warm, inviting touch. The built-in wardrobe provides generous storage, while the en-suite bathroom with a walk-in shower ensures privacy and convenience. The en-suite's modern fixtures, tiled flooring, and matching tiled shower makes this the perfect space to unwind. The second bedroom, equally inviting, is a cosy yet airy haven. It offers plenty of space for a double bed and other furnishings, with natural light pouring in from another floor-to-ceiling window. This window also provides access to the balcony, offering a seamless indoor-outdoor connection. Whether you're hosting guests or enjoying a quiet moment alone, this room serves as a versatile and comfortable space.

The Outdoors

The balcony is a delightful extension of your living space, perfect for relaxing with a book, sipping your morning coffee, or simply taking in the view of the neighbourhood and beyond.
