Barain London is pleased to present to the market this very spacious 2 double bedroom, 2 reception flat in Triangle Apartments. Located in Cubitt Town on Isle of Dogs just opposite the River Thames and scenic Thames Path, the open plan kitchen-reception is modern, stylish and well maintained, and features a large private balcony - great for relaxing in fresh air at home (and for entertaining, of course!) This property may also be configured as a 3 bedroom apartment.

Cubitt Town benefits from its close proximity to Canary Wharf, providing easy access to a very diverse array of dining, cultural, and shopping options. But in the neighbourhood there is a great scene, too, with numerous restaurants, pubs and theatres dotting the island (and an ASDA Superstore). Walk under the Thames through the pedestrian tunnel to Greenwich for a day out! In fact, on Isle of Dogs most things are easy walking distance or conveniently got to on the frequent bus service circling the island.

Whether you are a professional working in Canary Wharf, a family looking for well-heeled surroundings, or a buy-to-let investor, this flat is an appealing property that will hold its value due to its premium location.

Please call Barain London to book your private viewing today.
