

The Crofts, Hatch Warren, Basingstoke, RG22 4RE

£565,000 Guide price - Freehold

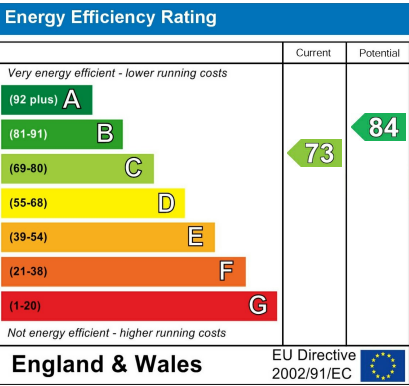

Barons Estate Agents are delighted to present this extended, four bedroom detached family home, situated in a cul de sac location. The property has been lovingly cared for by the current owner, and is presented to the market in immaculate condition in our opinion. On the ground floor, the property features an entrance hallway, lounge, family room/study, cloakroom and an extended, open plan kitchen/living room with integrated appliances, underfloor heating, bifold doors to the garden and Velux windows. Upstairs there are four double bedrooms, each with built in wardrobes, a refitted family bathroom, and ensuite. Externally, the property benefits from ample driveway parking for at least five cars, and an enclosed, landscaped rear garden with a shed with light and power. Additional benefits include gas central heating and double glazing throughout. An early viewing of this ideal family home would be strongly recommended by the vendor's sole agent.

We have had a residents association in the Crofts for over 25 years, each year the residents association put on community events including a Summer Fun Day, Easter Egg hunt and a Christmas Carol evening. It is a desirable area of Hatch Warren that gives a great community spirit. In addition there is a lovely green and woods on the Crofts that is used year round for sport/walking and a great place for children to play.
