SUMMARY

**** CASH BUYERS ONLY DUE TO CONSTRUCTION **** A unique opportunity to purchase this immaculately presented and move-in-ready large two double bedroom terraced home. Offering two reception rooms, a conservatory, ample built-in storage, and an enclosed garden, the property is ideal for a range of buyers. With two generously sized double bedrooms, close proximity to a main bus route, and excellent road links to the town centre, this home is not to be missed.

A welcoming hallway with newly fitted flooring includes two storage cupboards, with stairs rising to the first floor and doors to the kitchen/diner and lounge. The spacious kitchen/diner benefits from a further storage cupboard and access to both the lounge and rear garden. The lounge leads into the conservatory, which also opens out onto the garden, creating a bright and versatile living space.

A stairway rises to the landing, giving access to two large double bedrooms, both with built-in storage cupboards, along with a separate WC and shower room.

To the front of the property is a lawn with well-established flower beds, a patterned concrete pathway, and external storage. The rear boasts a well-maintained garden, mainly laid to lawn with hedging and shrubbery, while a pathway provides shared access to the side road.
