From the welcoming reception hallway, accommodation on the ground floor includes a stylishly appointed kitchen/breakfast room which is fitted with a generous range of cream fronted base and wall units with breakfast bar and hard flooring - laid extensively throughout the ground floor. An adjoining utility room provides further base units and space and plumbing for under counter white goods. A study/home office overlooks the rear garden and has two rooflights creating a light and airy ambience.

A cloakroom is located off the entrance hallway as well as a useful storage cupboard. On the first floor there are four bedrooms – three good size doubles and a single – each with generous built-in

storage. The master benefits from a modern ensuite shower room and an equally stylish family bathroom serves bedrooms one, two and three. A loft ladder gives access to the fully boarded loft with a Velux window and lighting

Outside, the gardens are well stocked and beautifully landscaped and maintained.
