Alexander Bond & Co are delighted to bring to the market this a substantial and well-proportioned five detached family home, quietly positioned within a highly regarded and peaceful residential close in the sought-after village of Welwyn.

Offering generous and versatile accommodation throughout, the property is a rare find as it is the first time it has come to market for over 38 years.

The ground floor comprises a welcoming entrance and a thoughtfully arranged layout that allows a natural flow between living and dining areas, alongside a kitchen and utility space that presents excellent potential for modernisation.

Upstairs, the property continues to impress with a selection of well-sized bedrooms that offer comfortable and practical accommodation for families complemented by a family bathroom and ensuite

Externally, the rear garden is a spacious and private oasis, carefully maintained to showcase a lush, green lawn that provides a perfect setting for family gatherings or relaxing afternoons. Surrounding the lawn are beautifully landscaped borders filled with a diverse array of mature trees, including a striking deep-red Japanese maple, vibrant green foliage, and tall, majestic trees that offer both shade and privacy. The garden backs onto protected woodland within Danesbury Nature Reserve.

The front of the property features a spacious driveway that provides ample parking space for multiple vehicles. In addition to the generous driveway, there is a detached double garage offering secure storage and additional utility space, making it ideal for vehicle storage, workshops, or extra storage needs.

Directions

The property is ideally located for access to both road and rail links, with Welwyn North railway station approximately 1.3 miles away, providing fast direct services into London King's Cross in around 20–30 minutes, while Welwyn Garden City station is also within easy reach. The A1(M) is conveniently accessible via Junctions 4 and 6, both within a short drive, providing straightforward connections to London, Stevenage, Cambridge, the M25 and surrounding Hertfordshire towns. London Luton Airport can be reached in approximately 20–25 minutes by car, with Stansted, Heathrow and Gatwick airports also accessible for international travel. Welwyn village itself offers a highly regarded selection of local pubs, cafes, shops, countryside walks and well-regarded schooling, making the location particularly attractive for families and commuters alike.
