Property Description

Reid and Roberts are pleased to welcome to the market this two-bedroom mid-terrace property, perfectly positioned in the heart of Mold town centre. Offered to the market with no onward chain this home presents an exciting opportunity for those looking to step onto the property ladder or for investors seeking a project with excellent potential to modernise and add value.

The accommodation offers deceptively spacious living, with two reception rooms providing versatility for both living and dining, a kitchen with access to the rear, a ground floor bathroom, and two well-proportioned bedrooms to the first floor. High ceilings, exposed beams, wood-effect flooring, and fitted storage bring a sense of character throughout, while the layout offers a solid foundation for sympathetic updating and modernisation.

Externally, the property enjoys a rear courtyard garden with gated access onto a communal pathway, ideal for low-maintenance outdoor space, while to the front there is a shared lawned garden with mature shrubs and trees providing a pleasant outlook.

Situated within walking distance of Mold's thriving town centre, the property benefits from excellent access to a wide range of amenities, including local shops, cafés, schools, supermarkets, and leisure facilities. The popular town also hosts a bustling twice-weekly street market and is well served by road and public transport links to Chester, Wrexham, and the wider region.

This property represents a rare opportunity to acquire a centrally located home at an attractive price point, with scope to transform into a stylish residence or profitable rental investment. Early viewing is highly recommended.

Accommodation Comprises

A shared paved pathway leads to the UPVC door with frosted insets.

Lounge

Located to the front of the property, the lounge features wood-effect laminate flooring, exposed wooden ceiling beams, and a gas fireplace with shelving to the side. The room houses the electric box and meter, while a composite UPVC front door with decorative glass insert and UPVC windows to the front elevation provide natural light.

Dining Room

The second reception room offers flexibility as a dining area or

additional living space. Finished with wood-effect laminate flooring, a central ceiling light point, exposed beams, and a single panel radiator, this room also houses the staircase to the first floor and benefits from an under-stairs storage cupboard.

Kitchen

Positioned at the rear, the kitchen is fitted with a range of base and wall-mounted units with worktop surfaces, and a UPVC window to the side elevation. Offering scope for modernisation, this room provides direct access into a small rear hallway.

Bathroom

The ground floor bathroom comprises a three-piece suite with bath and overhead shower attachment, hand basin, and low-flush W.C. The room includes a single panel radiator, tiled flooring, wood tongue-and-groove ceiling, central ceiling light point, and double UPVC frosted window to the rear elevation. It also houses a meter cupboard and leads into a rear hallway with storage and access to the courtyard.

Stairs Rise to the First Floor Accomodation

Bedroom One

A generous double bedroom located at the front of the property, with built-in wardrobes extending to ceiling height. Featuring wood flooring, high ceilings, a double panel radiator, central ceiling light point, and a UPVC window to the front elevation.

Bedroom Two

Situated at the rear, this bedroom is a small double (or spacious single) with wood flooring, high ceilings, central ceiling light point, single panel radiator, and a UPVC window to the rear elevation. The room also houses the Vaillant EcoTech Pro boiler.

Garden

To the rear is a low-maintenance courtyard with a pergola and gated access onto a communal pathway leading to the road. To the front, a lawned garden with mature shrubs and trees is approached via a pathway leading directly to the property's entrance.
