IMPORTANT NOTE

The property is affected by subsidence to the rear left section of the building. This is evident from visible cracking on the roadside, rear, and right-hand elevations, as well as internally between the bedroom and landing. It is recommended that this part of the property undergo underpinning or another form of suitable foundation strengthening.

Accommodation Comprises

The property is approached via the brick paved driveway leading to a welcoming front door, framed by UPVC double glazed windows on either side, sets the tone for the property.

Entrance Hallway

The entrance hall features tiled flooring, a ceiling light, and ample storage with a cupboard fitted with a hanging rail and a further shelved storage cupboard. Doors lead directly into the kitchen and to the right hand side. Power points, a panelled radiator, and single glazed windows looking into the kitchen complete the space.

Kitchen

A functional kitchen with tiled flooring, an integrated cooker and four ring hob, and plentiful storage options. A one and a half bowl stainless steel sink with drainer and mixer tap sits beneath a UPVC double glazed window. The room offers space for a washing machine, houses the Worcester boiler, and provides additional shelving and storage. Finished with tiled, wallpapered, and wood panelled walls, fluorescent strip lighting, power points, and a panelled radiator.

Inner Hallway

Step up into the inner hall with laminate flooring, a ceiling light, and a smoke alarm. Stairs rise to the first floor accommodation with the benefit of an under stair storage cupboard. A door to the left leads into the living room.

Living Room

This characterful living room boasts a black painted brick open fireplace with wooden mantle, exposed stone walls, and beams. Laminate flooring, wallpapered walls, a panelled radiator, UPVC double glazed front window, and power points add comfort and charm.

Second Living Room

Directly opposite, the second living room offers a cosy feel with an electric fire, laminate flooring, wallpapered walls, beams, and dual aspect UPVC double glazed windows. Additional features include a panelled radiator, ceiling and wall lights, and power points.
