Property Description

Reid & Roberts Estate and Letting Agents are pleased to present this well-proportioned, three-bedroom semi-detached property in the peaceful, sought-after village of Treuddyn. Set on a quiet, private plot with a generous southwest-facing garden and ample off-road parking, this home offers spacious accommodation but requires a full renovation to unlock its potential.

Sold with no onward chain, it's an ideal project for anyone looking to create a bespoke family home or tranquil rural retreat within easy reach of Chester, Mold, and Wrexham.

The property is accessed via a paved pathway and wrought iron gate leading to an entrance porch with plumbing and storage options. Inside, the layout includes an entrance hall with tiled flooring, an under-stairs cupboard housing the boiler, stairs to the first floor, and a downstairs cloakroom. However, the interior requires comprehensive updating and refurbishment. The kitchen provides space for cooking and dining with fitted units and a pantry cupboard but will need a full overhaul. The spacious lounge includes an electric fireplace, coved ceilings, and large windows overlooking the conservatory and garden, offering great scope for improvement. The timber-framed conservatory opens onto the private rear garden with a large lawn, paved patio, mature shrubs, and secure fencing.

Upstairs, three bedrooms include a master with built-in storage, alongside a family bathroom with a mains shower, both of which require renovation. Externally, a long driveway provides extensive parking leading to a detached garage with double wooden doors, ideal for secure parking or a workshop space.

This is a rare opportunity to purchase a spacious semi detached property in a tranquil village setting with excellent amenities and beautiful countryside, offered with no onward chain but requiring a full renovation.
