## Accommodation Comprises

Steps lead up to a stylish Upvc door with frosted insets.

### Lounge

Stepping into the lounge, you'll find a warm and inviting space featuring wood-effect laminate flooring and a central limestone fireplace with a tiled hearth, exposed brick inset, and a cast iron log burner—an elegant focal point. The room benefits from a double-glazed UPVC sash window to the front elevation, a double-panelled radiator, a TV point, and a phone point. Stairs lead up to the first-floor accommodation, and a smoke alarm is fitted for safety.

### Kitchen & Dining Area

Open-plan living continues into the spacious kitchen, which is accessed via steps up from the lounge. The kitchen offers ample room for a dining table and features a stylish range of high-gloss grey wall and base units with wood-effect worktops. A fitted Lamona oven and grill, four-ring electric hob, and stainless steel extractor fan provide modern cooking facilities, while a ceramic deep sink with a matching drainer and mixer tap adds a touch of elegance.

The space is further enhanced by wood-effect laminate flooring, stainless steel splashbacks, and inset spotlights. Integrated appliances include a fridge freezer, and there is space and plumbing for a washing machine. Two UPVC double-glazed windows to the rear elevation, along with a white UPVC door with a double-glazed panel, allow plenty of natural light and provide access to the garden via steps up to the door.

A standout feature of the kitchen is the seamless wood-panelled wall, which blends beautifully into the lounge area, creating a sense of continuity and character.

### Landing

The first-floor landing features a smoke alarm, loft hatch access, a single-panel radiator, and a striking wood-paneled feature wall. Doors lead to the bedrooms and bathroom.

## Bedroom One

A spacious and bright double bedroom with high ceilings, four wall lights, and two central ceiling lights. The room features a double-glazed UPVC sash window to the front elevation, offering charming river views. The wood-panelled feature wall continues here, adding warmth and character, while a built-in alcove with a rail provides convenient wardrobe space. The flooring is finished in a stylish coffee-tone laminate, and a single-panel radiator ensures comfort.

## Bedroom Two

This second bedroom is a peaceful retreat with a double-glazed UPVC window with a top opener overlooking the rear garden. The room benefits from high ceilings, carpeted flooring, and a single-panelled radiator, creating a cosy and inviting atmosphere.

## Bathroom

The bathroom is fitted with a modern three-piece suite, including a low-flush WC, a pedestal washbasin, and a fully tiled walk-in shower enclosure with a wall-mounted mains-powered shower and sliding door. Additional features include partly tiled walls, tiled flooring, a wall-mounted chrome ladder-style heated towel rail, and a central ceiling light. A Worcester gas boiler is mounted on the wall, and a double-glazed UPVC window with a top opener to the rear elevation provides ventilation and natural light.

## Outdoor Space
