Land for Sale with Planning Permission

A superb opportunity to acquire a well-positioned residential development plot measuring approximately 380m², located to the rear of 1 Berwyn View in Buckley. The land enjoys a quiet and private setting, running parallel with Old Bank Lane — an unadopted road serving just seven individual dwellings — offering a peaceful environment while remaining highly accessible.

Full planning permission has been granted for the construction of a thoughtfully designed three-bedroom detached dwelling. The proposed home has been carefully planned to complement the surrounding residential properties, with sectional and elevational heights designed to respect the character and scale of neighbouring houses. The plans also include off-street parking for a minimum of two vehicles, new hard and soft landscaping, on-site refuse storage, and garden amenities that meet the requirements of SPGN No. 2. Access to the site will be taken directly from Old Bank Lane.

Situated off Nant Mawr Road and within the settlement boundary of the current Unitary Development Plan for Flintshire County Council, the site is well connected and sustainably located. It benefits from nearby public transport links, including local bus services and the Buckley rail station, and is within walking distance of schools and other educational facilities. The A55 expressway is approximately 2.5 miles away, offering excellent connections to Chester, North Wales, and the wider Northwest region.

This is an ideal plot for self-builders or small-scale

developers seeking a ready-to-go site with planning approval in a popular and well-connected area. Further details and additional photography will be available shortly.

Do You Have A Property To Sell?

Please call 01352 700070 and our staff will be happy to help with any advice you may need. We can arrange for Lauren Birch or Holly Peers to visit your property to give you an up to date market valuation free of charge with no obligation.
