Almay Butts Hill

Salisbury, SP3 4LQ

£395,000

Almay is a beautiful and well presented detached bungalow, positioned to take full advantage of its far reaching countryside views. This adaptable three bedroom home offers a surprising amount of space, with a layout that suits a wide range of lifestyles. The addition of two double glazed conservatories creates light filled areas that are perfect for relaxing, entertaining or simply enjoying the garden and open rural outlook.

The current owner has carried out thoughtful upgrades throughout, including a refitted kitchen, a generous utility room, and a modernised bathroom. The oil fired boiler has been replaced recently, PV panels have been installed, and the property benefits from full double glazing and central heating. The home is in excellent order, yet still offers scope for further extension or remodelling, with planning permission already approved.

Outside, Almay enjoys a large driveway with parking for multiple vehicles, a private front garden with deck and a rear garden that opens onto beautiful farmland views. The setting is peaceful and appealing, just a few metres from a play park and countryside walks in the popular village of Stapleford. Wilton and Salisbury are only a short drive away, with a reliable bus route also serving the village, making the location both quiet and convenient.

An internal viewing is strongly recommended to appreciate the space, flexibility, and setting that Almay offers
