2 Riverside

Salisbury, SP2 0HW

Guide price £225,000

A two bedroom end terrace home quietly tucked away along this quiet pedestrianized pathway. 2 Riverside is a well loved family home which is double glazed with gas heating, however the house does now require some general updating. The property boasts a particularly generous plot which extends to the side and rear and offers a huge level of potential for extensions (subject to planning consent) or as a very generous garden onto the river Wylfe. Wilton is a particularly popular location due to its thriving town centre and great range of amenities, all within walking distance of the house. This property is a great option for those buyers looking for potential, an early viewing is advised.
