The main reception room extends across the front of the property, providing an open plan Living Dining Kitchen that retains much charm and character, featuring exposed beams to the ceiling and a wood-burning stove set on a stone hearth within the living area, with matching tiling throughout the whole room.

Stairs lead from the corner of the room to the first floor, with a step up to an internal access door through to the ground floor bedroom. This is currently designed with twin beds, featuring a tiled floor, a window to the rear, and an external door providing access to the rear courtyard.

First Floor

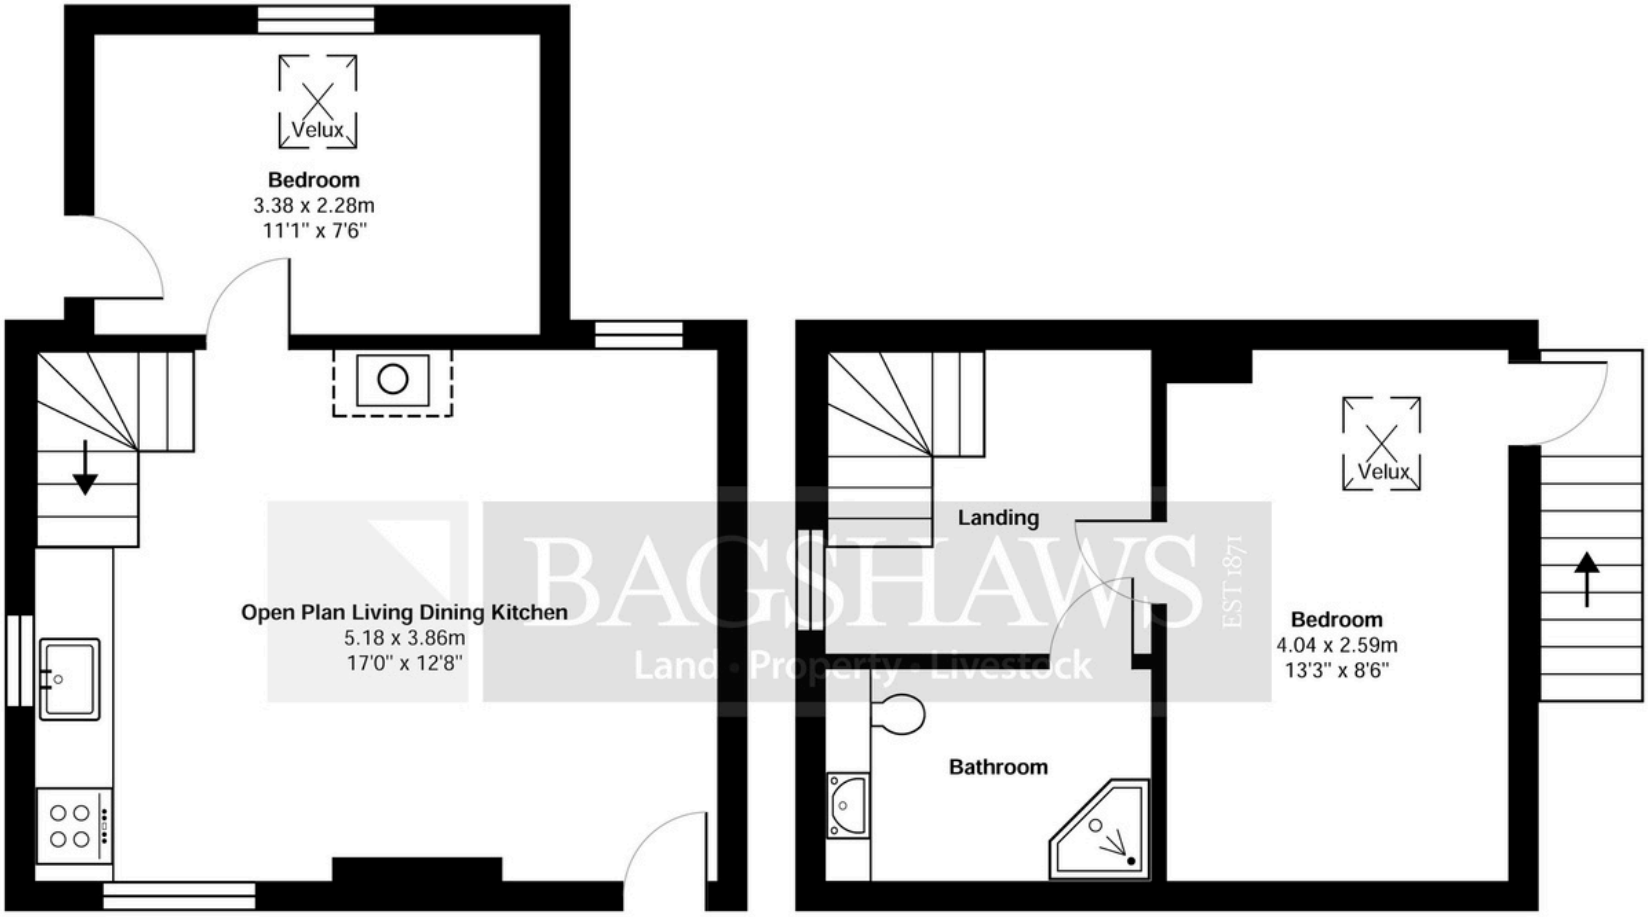

The staircase leads from the ground floor to the galleried landing area, which is equipped as a guest information and reading area with a wooden floor and access via latch doors to the master bedrooms and refitted shower room.

The shower room has been completely refitted in recent years, providing a vanity wash hand basin with cabinet storage beneath, a separate shower cubicle with a shower over, and a back-to-wall WC. It features a vaulted ceiling with exposed timbers.

The Master bedroom has a vaulted ceiling with exposed timber to ceiling, a timber floor, and a door to the side providing access to the external steps, as well as a Velux roof light window.
