Description:

The sale offers an excellent opportunity to purchase a parcel of pastureland ideally suited for a mixture of both grazing and mowing purposes for both agricultural or equestrian buyers alike. The land is located in a sought after part of Staffordshire, benefitting from two roadside access points off Abbots Bromley Road.

Location:

The land is located directly off Abbots Bromley Road, west of the village of Hoar Cross, within the county of Staffordshire. The land is situated close to the Cathedral City of Lichfield (11 miles) and the market town of Uttoxeter (9 miles), with good connectivity to major arterial roads such as the A515 and A38.

Directions:

From Lichfield, take the A515 towards Kings Bromley. Pass through the villages of Kings Bromley and Yoxall. On leaving Yoxall take the first left when the road forks at Woodmill Bridge following signs to Hoar Cross.

At the Woodmill Farm junction where five roads meet, keep half left proceeding on to Maker Lane and continue for approximately 2.5 miles. Past Hoar Cross Hall, turn left at the T- Junction onto Abbots Bromley Road towards Abbots Bromley and proceed for approximately 0.5 miles. The land is located on the left hand side identified by our 'For Sale' board.

The Land:

The land extends approximately 1.73 acres (0.699 hectares) comprising a single parcel of gently sloping pastureland. A small area of amenity coppice woodland is situated on the southern boundary of the parcel. The land is bounded by a mixture of mature hedgerows and stockproof post and rail or post and wire fencing.

With two roadside gateways leading to the land, it also benefits from a large pull-in adjacent to one of the gateways. There are two small timber sheds in situ formerly used for storage and stabling but in need of repair.

Services:

There is mains water connected to the field. Prospective purchasers must satisfy themselves as to the availability and suitability of any other services.
