Description:

An interesting opportunity to purchase 25.33 acres of land only 4 miles from Chesterfield town centre. Accommodation across the site is extensive with a main building at the entrance of the site as well as industrial units which cover about 44,000 sq ft.

There is good access to the site, and the site is also inclusive of woodland areas and quarry sections..

This is a property which lends itself to a multitude of uses, subject to imagination and planning. There is a history of planning on the District Council's portal and we suggest that potential buyers look at this in the first instance.

This unique site has great potential for further uses, possibly the site for a luxurious modern mansion with outstanding views across miles of countryside.

Location:

The land is situated just outside of Wingerworth and only 4 miles from Chesterfield Town Centre.
