Ground Floor

From the rear door of the property, it leads into the utility room with washing machine point before leading through into the farmhouse style kitchen complete with oil Stanley cooker. From here a small corridor leads to the downstairs cloakroom, office and into the large dining / sitting room being the main family area of the house. The stairs to the first floor can be found behind a door in the sitting room.

First Floor

The staircase arrives in the upper landing, leading through to upstairs living accommodation. A large principle bedroom sits to the front of the property, while a second double bedroom with fitted wardrobes is located overlooking the rear garden. A further third single bedroom completes the space along with a recently refurbished family bathroom equipped with a shower cubicle, WC, Bidet and vanity sink unit.

Externally

The property benefits from a large detached garage and garden area to the rear of the house, formerly used as a vegetable patch by the previous owners.

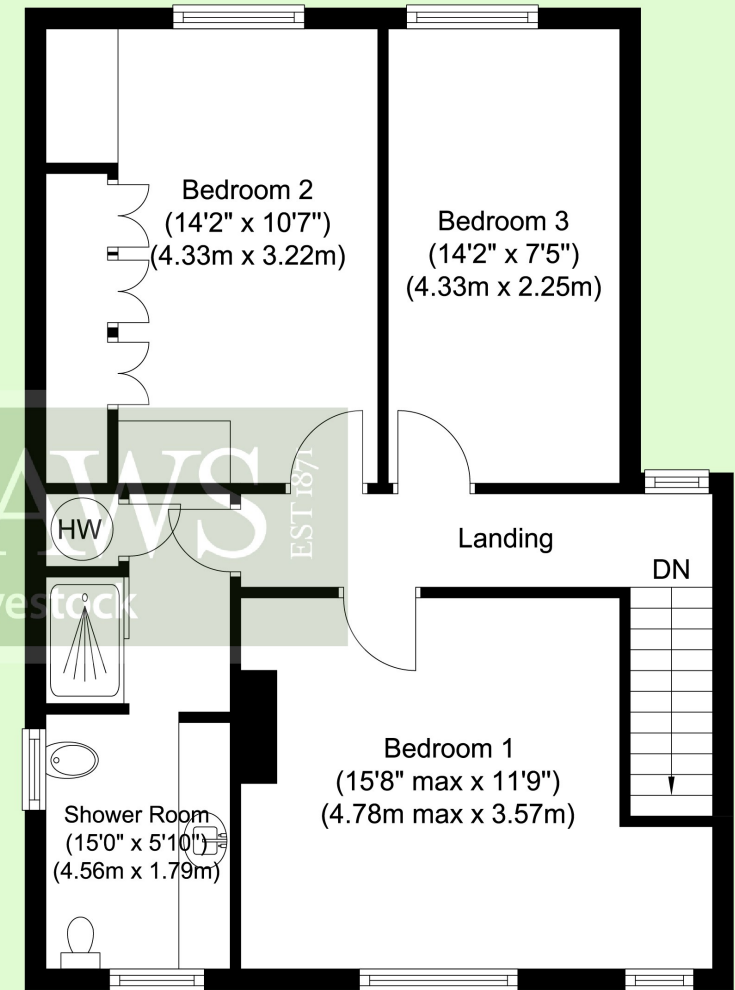

The property has a gravel driveway off the main road and access to the nursery can be created by removing the back fencing around the driveway area. Immediately to the side of the house is the former nursery site with the poly tunnels (some still covered) still in situ. A large car parking area adjacent to the poly tunnels is laid to hard core and gravel
