Description

Dunston Farm is a well-located property, with rural views whilst remaining central and accessible to the town of Chesterfield and nearby towns and cities. The imposing brick-built farmhouse offers spacious family-living accommodation over two floors, including five double bedrooms, a large farmhouse kitchen and two reception areas. Externally, the property offers an extensive range of both traditional, modern and Listed agricultural buildings, together with a large yard area and surrounding land extending to approx. 2.21 acres, excellent for those seeking potential development opportunities. There is significant scope for commercial units for a variety of different businesses and/or residential developments, subject to all the necessary planning consents.

Location:

Dunston Farm is situated in an accessible location, on the edge of the town of Chesterfield. The town of Chesterfield provides a wide range of amenities including local and high street shops, primary and secondary schools, supermarkets and bus/train stations. Further nearby towns include Dronfield (3.9 miles), Bolsover (8.8 miles), Clay Cross (8.6 miles), and Bakewell (12.3 miles). The city of Sheffield is just 11 miles to the north, with Nottingham city centre within an hour's commute to the south. There are many nearby local walks, bridleways, trails and beauty spots within the surrounding area, excellent for those who enjoy the outdoors, particularly with the Peak District National Park being on the door step as well as Chatsworth House. The property is ideally located centrally between the junctions 29 and 30 of the M1, lead from the A61 and A617.

Directions

From Chesterfield town centre, head north on the A61 signposted for Sheffield. Continue along the A61. At the second roundabout take the second exit onto Dunston Road, signposted for Cutthorpe. Follow Dunston Road for approx. 0.7 miles. The driveway to the property will be seen on your left hand side, indicated by our For Sale board.

The Farmhouse:

An attractive, brick built farmhouse offering spacious accommodation across two floors. With a good sized dual aspect Dining Kitchen, separate Dining Room, Utility and Sitting Room to the Ground Floor, Five Double Bedrooms and Family Bathroom to the First Floor. The property benefits from character features such as quarry tiled flooring, fireplaces, cast iron range and sash windows. The property offers flexible space, ideal for all purchasers. Externally the Farmhouse has attractive lawned gardens with mature trees and shrubs.

Buildings:

There is a wide range of buildings at the property, both traditional and modern, offering a variety of uses, and development potential subject to the usual consents. The buildings comprise of:

Brick Built Outhouses:

Adjoining the farmhouse, two brick-built former dairies are currently used as general stores, opening out onto the rear patio. There is potential to incorporate with the house accommodation or create a stand alone dwelling, subject to the necessary planning consents.

Total Size: (11.80m²) & (12.40m²)

Stone barn

A two storey part-stone, part brick barn, internally divided into two is used for storage. The barn is located near to the Farmhouse, overlooking the driveway and yard, offering development potential subject to the necessary consents.

Total Size: (GEA 74.96m²)

Stone Barn 2:

A Grade II Listed two-storey stone barn, located within the main yard. The barn is internally divided and currently used for general storage, with attractive, traditional exposed timber beams within the eaves. A stable sits to one end, opening onto a concrete yard around to one side. The barn lends itself to development and residential conversion, subject to all the necessary planning consents.

Total Size: (GEA 91.53m²)

Stone Barns and Covered Yard:

Barns (GEA 254.28m²) & Covered yard (154.83m²)

To the rear of Barn 2 can be found a mixture of single and two-storey stone barns lying within a 'U' shape. A concrete courtyard sits to the front of the barns, covered by a three bay timber frame opened sided structure.

General Purpose Building

(GEA 178.88m²) & Lean-to (75.29m²)

A four bay steel-portal frame building, with concrete block built walls and part Yorkshire-boardings, concrete flooring, and opening doors to one side. The footprint is 268m².

Machinery Store

(GEA 250.43m² inc. Lean-to)

A 5 bay steel-portal building, being partly enclosed. The building is currently used for produce and machinery storage. A 1 bay timber-pole barn sits to one end.

Implements Store

(GEA 127.64m²)

A concrete block built lean-to, with a concrete floor. The building is used for vehicle and implement storage.

Yard

The buildings sit upon a large yard, boasting a separate wide - access gateway to the rear of the buildings away from the farmhouse. The yard nearest the farmhouse provides ample parking areas for multiple vehicles.
