Assessments First

First Floor:

With stairs rising from the entrance hallway, the first floor offers ample family-living space with accommodation off a full-length landing. The Master bedroom locates to the west of the barn, offering a generously-sized room with much natural light entering from the Velux roof windows, and character with the traditional timber beams exposed. The Master is complemented by an adjoining modern-fitted shower room complete with a vanity unit, w/c, heated towel rail, and shower. The opposing end of the barn conversion offers another spacious double bedroom, again boasting exposed beams, high ceilings, and velux roof windows alongside a built-in storage cupboard and an ensuite housing a basin, w/c, and shower. Two further characterful double bedrooms are offered from the landing, each providing charm and unique features with exposed masonry and timbers, and views over the gardens. A family bathroom supports the two bedrooms offering a basin, w/c, bath, and shower.

Buildings and Stabling:

The Barn offers an exciting range of buildings, both modern and traditional in construction, suitable for a variety of purposes in particular equestrian and agricultural enterprises. The buildings located to the north of the dwelling and comprise of;

- A brick built stable block under a pitched sheet roof, housing 8 block built loose boxes, a foaling box, and separate kitchen, tack and feed rooms to one end. The stable block boasts good hardstanding external areas for safe winter turnout.
- A 5 bay steel portal framed agricultural building with a concrete floor, internally divided. 3 bays offer general storage for fodder/machinery with access to a separate mezzanine tack/rug storage space. 2 bays are incorporated within the kennels providing an office space.
- Kennels; the office is incorporated in the above with a stone face to the front and pedestrian UPVC doors and windows. Adjoining to the east, a lean-to under a monopitch roof housing the dog runs/kennels.

Planning permission:

- A traditional, detached stone-built 'L-shaped' building currently providing storage/stabling yet flexible in its uses, with a patio area to the front. This barn benefits from granted planning permission for 'Conversion and change of use from existing Barn / Store & Stable block to Holiday Let'. Ref; 24/00356/FL. Conditionally approved in January 2025. All plans and documents can be found on the North East Derbyshire District Council website.

Although currently suited to equestrian and canine enterprises, the buildings do offer great flexibility and have been finished to a good standard and been well-maintained.

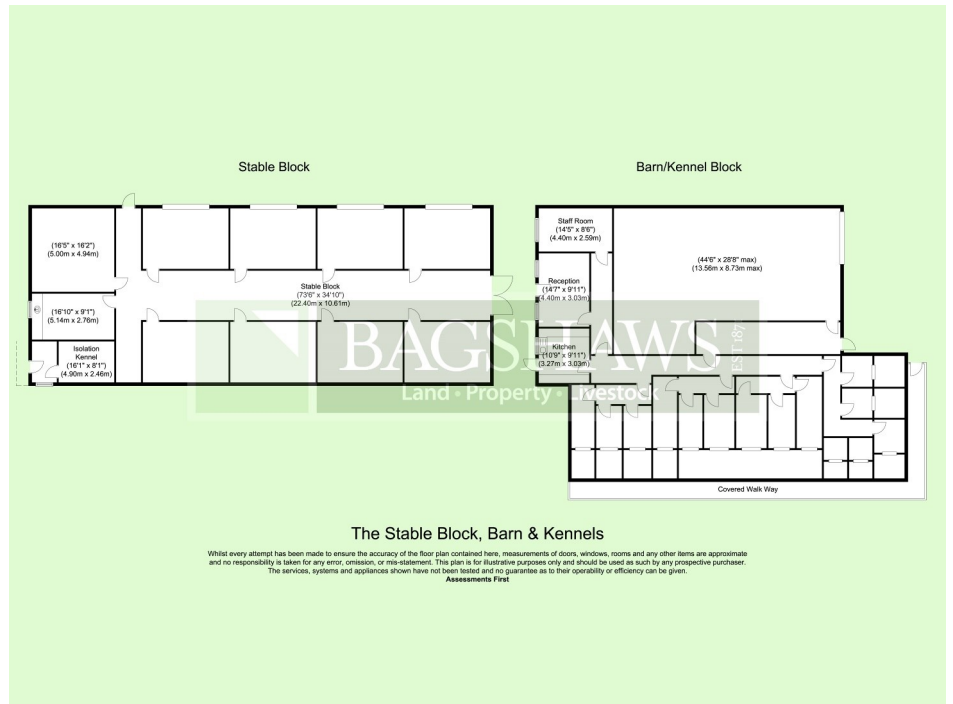

The buildings all benefit from surrounding spacious, yard areas, to accommodate multiple large vehicles, and hardstanding space utilised for fodder storage offering potential space for further buildings (subject to the necessary consents and purchasers desires).

Kennels:

The vendor is including their successful kennels business within the purchase of the property after deciding to relocate. A well-established kennels and doggy day care, offering a range of packages with high-class facilities and currently space for 14 dogs overnight at one time with each room offering under floor heating, under cover exercise areas, and an exercise paddock.

Please contact the office for further details. Should any purchaser wish to continue the business, the regular and repeat custom will be of benefit to any purchaser.

Externally:

The property benefits from extensive cottage gardens, with beautiful lawned areas to the front of the farmhouse and mature flower beds to each boundary. A spacious, private patio area sits to the front of the house, suitable for outside dining and entertaining. With a sweeping entrance from the road, the gravelled driveway offers parking for many vehicles, as well as offering a natural divide between 'personal' parking and 'business' parking for the kennels.

Land :

The land on offer extends to approximately 12.50 acres (5.06 hectares) and all lies to the north of the dwelling and buildings. Mostly down to grass, with a very small portion of woodland, the land is divided into paddocks suited to mowing and the grazing of livestock and/or horses, with a useful access track along the perimeter. The acreage on offer is manageable and complements the buildings well, with boundaries being stone walling and post and wire fencing, together with water troughs connected to the paddocks.

Manège:

A 40m x 20m outdoor manège sits to the west of the buildings, with a sand and rubber surface, bordered by post and rail fencing, perfectly suited to those with equestrian interests.
