Annexed Accommodation

A stone-built, self-contained annex adjoins the farmhouse to the rear, providing ancillary accommodation across one floor finished to a high standard and currently generating a good income as a rental property or an Airbnb. Alternatively, this could provide accommodation for extended family members, or be incorporated into the main farmhouse should a purchaser wish. With a separate external access door, the accommodation offers an open plan kitchen diner with fitted units, and a dining and seating area to enjoy views across the grassland. The annex further offers a good-sized double bedroom, a second single bedroom/dressing room, and a bathroom with modern finishes.

Externally and Outbuildings

Shawfields Farm offers landscaped lawned gardens to the front, with colourful planted borders and mature shrubbery offering a pleasant outlook from the farmhouse. A patio area lays at the foot of the farmhouse, with space for outside seating and dining, whilst a decking area lays adjacent. A timber summerhouse locates within the garden currently utilised as an office but is flexible in its uses, and benefits from electricity. The holiday accommodation benefits from separate lawned gardens and patio areas, boasting picturesque views across the rolling hills, with well-kept planted borders and boundaries.

A general purpose timber-framed building offers a great flexible space depending on the purchasers needs, currently divided internally and utilised as a workshop and garage complete with a vehicle lift (available by separate negotiation). The property benefits from surrounding spacious, yard areas, to accommodate multiple vehicles for both the farmhouse and holiday accommodation, lead from a private driveway from the roadside and electric gates.

Land

The land situates around the farmstead in a ringfence, extending to approximately 33.39 acres, with the majority down to permanent pasture divided into multiple paddocks. A small cluster of mature trees locate to the west of the property, adding to the amenity appeal, alongside a pond located near to the farmhouse. Access to the land is all from the driveway and farmstead, with boundaries of dry stone walling and post and rail fencing. A large portion of the land is SSSI and provides good income from subsidies, hosting a wide range of wildlife, appealing to those with amenity interests. Some of the land is currently subject to an Environmental Stewardship Scheme Agreement—Higher Level, meaning grazing is suitable for limited numbers of livestock, and/or horses should one wish.
