DESCRIPTION

This traditional detached bungalow is set well back beyond the grass verge and tree lined carriageway and is positioned in a highly sought after location. The interior is generously proportioned and well presented throughout with the benefit of a ground floor extension. Importantly, there is much further potential within the loft space and similar properties within the vicinity have created two en suite double bedrooms at first floor level.

The accommodation is approached beyond an enclosed porch and wide entrance hall with laminate wood flooring and cloaks closet to one side. Positioned toward the front there is a naturally light sitting room with oriel bay window and the focal point of a stylish marble conglomerate fireplace surround with matching hearth. An archway opens into the dining room which is ideal for formal entertaining and the adjacent fitted kitchen provides ample space for a breakfast table. French windows lead onto the delightful gardens from the useful utility room and there is also an adjoining WC.

Two excellent double bedrooms both feature fitted furniture and the well appointed shower room/WC is fitted with a contemporary white suite complemented by attractive tiling.

Gas fired central heating has been installed together with PVCu double glazing throughout.

Externally the paved driveway allows parking for several cars in addition to a covered parking area and detached garage. There is gated access to the enclosed rear gardens which are laid mainly to lawn with well stocked borders and a high degree of privacy.

Cottrell Road contains a variety of detached bungalows standing within mature grounds all of which combines to create a delightful setting. Well placed for access to the surrounding network of motorways and Manchester International Airport and with local shops available within the revitalised village centre including Asda supermarket and Costa Coffee. The property also lies within the catchment area of highly regarded primary and secondary schools.
