## DESCRIPTION

Finchale Drive is a sought after cul de sac development containing bungalows of similar age, set well back beyond the grass verge and tree lined carriageway. The delightful surroundings are further enhanced by wonderful mature landscaped gardens and a large plot approaching 0.25 of an acre, all of which combine to create an attractive setting. Although obviously well cared for there is an opportunity to remodel to individual taste and many of the bungalows have been extended or re-planned and subsequently there is much further potential, subject to obtaining the relevant approval.

The property is well placed for the revitalised village centre of Hale Barns which includes Asda supermarket and Costa Coffee and just a short walk from the popular Halecroft Park. The location is also within the catchment area of highly regarded primary and secondary schools and there is easy access to the surrounding motorway network and Manchester Airport.

This double fronted detached bungalow is approached beyond a paved driveway providing ample off road parking plus access to the garage.

The accommodation includes a central hallway adjoining both the breakfast kitchen and sitting room. The spacious reception room features a marble fireplace surround with living flame gas fire and the breakfast kitchen is fitted with contemporary units complemented by granite work surfaces and provides ample space for a table and chairs. There is also an adjacent dining room. Accessed via the kitchen and inner hall is the utility room and shower room/WC beyond. The inner hall leads onto three double bedrooms all with built-in wardrobes.

Externally to the side and rear are stunning and well maintained gardens laid mainly to lawn with well stocked borders and importantly a southerly aspect to enjoy the sunshine throughout the day. The plot measures approximately 0.23 acres.
