LOCATION:

The village of Hartington is situated within the beautiful Peak District National Park which is one of the most visited national parks in the world. Hartington has been an important village since the Middle Ages and was granted a market charter in 1203 by William DeFerres and became a major centre for a large rural population from the many isolated farms in the surrounding areas which it still is today. The village is centred around the spacious square with the much photographed duck pond and numerous charming old limestone properties including The Charles Cotton Hotel, St Giles Church, The Market Hall and Hartington Hall. There is also an impressive selection of gift shops, cafes and pubs, as well as a speciality cheese shop and small pottery. Hartington itself is surrounded by some of the most beautiful scenery and countryside in England with a huge network of footpaths and walking trails in all directions. There are good road links to neighbouring towns and cities to include Buxton, Ashbourne, Sheffield, Manchester, Chesterfield and Derby.
