GARDENS

To the front of the property there is a substantial tarmac driveway area suitable for the parking of a number of vehicles, block paving and a patio seating area with mature shrubs, bushes and plants. The rear garden is simply stunning and has been maintained and improved over many years by our client. It has large lawned areas with many mature well stocked borders with flowers, shrubs and bushes. There are extensive block paved and decked patio areas with private and secluded areas and a stream runs through the grounds of the property. There is a greenhouse and numerous pathways leading around this beautiful garden. Also at the rear there is access to a store room which is located at lower ground floor level beneath the kitchen.
