

Bay View

, Moelfre, LL72 8HR

£675,000

An absolutely delightful coastal cottage, situated in a quieter area of the village, but less than 100 metres from the beach and enjoying panoramic and uninterrupted views over the sea to Red Wharf Bay and Llanddona headland, all under a backdrop of the Eryri (Snowdonia) mountain range to include Snowdon itself.

Meticulously maintained by the present owner and very much in keeping with the character of the original stone cottage. Bay View has been noticeably extended to provide comfortable accommodation which includes three reception rooms, kitchen, utility, three bedrooms and two bathrooms. Good sized gardens to the front and side with patio to the front and off road parking. There is also planning permission for an extra double bedroom and en-suite above the dining room.

This is the first time Bay View has been on the market in over 65 years and viewing is essential to fully appreciate all this cottage has to offer and its outstanding coastal location.
