Ground Floor

The property is entered through a covered porch into a spacious and welcoming hallway, which provides access to all principal rooms and the staircase to the first floor. To the front, the lounge features a large walk-in bay window that allows for plenty of natural light, a fitted carpet, and a central fireplace with surround. Double doors open through to the rear-facing dining room, which has sliding patio doors that lead out onto the garden, creating a lovely indoor-outdoor flow.

The modern kitchen sits to the rear and includes a range of matching wall and base units with wood-effect worktops, tiled splash backs, an integrated oven and gas hob with stainless steel extractor hood, and a one-and-a-half bowl sink with drainer beneath a large window overlooking the garden. There is also space for a fridge-freezer and dishwasher. A door leads into the separate utility room, which includes further units, a sink with drainer, plumbing for a washing machine, and a door to the side pathway.

The ground floor also benefits from a WC cloakroom fitted with a low-level WC and wash hand basin with tiled splash back. The integral garage is accessed externally and offers useful additional storage or parking.

First Floor

The first floor landing provides access to four

well-proportioned bedrooms, a family bathroom, and an airing cupboard. The principal bedroom is a generous double room with built-in wardrobes and a private en suite, featuring a tiled shower cubicle, pedestal wash hand basin, low-level WC, and an opaque double glazed window to the side.

Bedrooms two and three are both spacious doubles and benefit from access to a modern Jack and Jill shower room. This shared en suite is fitted with a tiled shower cubicle, pedestal wash hand basin, low-level WC, and an

opaque window, making it ideal for children, guests, or teenagers.

Bedroom four is currently set up as a nursery and offers a front-facing double glazed window and central heating radiator.

The family bathroom completes the first floor accommodation and features a white three-piece suite comprising a panelled bath with mixer tap and shower attachment, wash hand basin, low-level WC, and tiling to wet areas, with a window to the side elevation.

Outside

To the front, the property enjoys off-street parking via a tarmac driveway which leads to the integral garage. There is a small lawned area with established hedging and a pathway to the covered entrance porch.
