

A superbly spacious and fully refurbished family home, positioned in an elevated setting on a popular residential road. Finished to a high standard throughout, the property features a modern fitted kitchen with integrated appliances, a stylish family bathroom, and a generous open-plan lounge/diner with patio doors opening onto a tiered rear garden—perfect for entertaining and everyday living.

To the first floor are three well-proportioned bedrooms, offering comfortable accommodation for families or those needing additional space. Further benefits include a garage and driveway, providing ample off-road parking. This impressive home combines contemporary finishes with practical living space, making it an ideal choice for a wide range of buyers.

Porch

Entrance porch featuring a uPVC double glazed window to the front elevation and a uPVC double glazed entrance door. Finished with tiled flooring and providing access via an internal composite door to:

Lounge/Diner

A spacious open-plan living and dining area, ideal for both relaxing and entertaining. The room benefits from two central heating radiators, TV aerial point, and a feature electric fireplace with surround. Sliding uPVC double glazed patio doors open directly onto the rear garden, allowing for plenty of natural light. Stairs rise to the first-floor landing, and an internal door leads through to the kitchen.

Kitchen

Fitted with a range of matching base and eye-level units, drawers, and roll-top work preparation surfaces. Features include a stainless steel sink with drainer and mixer tap, gas hob with stainless steel extractor hood, oven/grill, and integrated fridge and freezer. There is also plumbing for under-counter appliances. A uPVC double glazed window overlooks the rear, with an additional window to the side elevation, alongside a side access door. Finished with a central heating radiator.

Landing

Providing access to the loft via hatch and a useful storage cupboard with hanging rail. Internal doors lead to:

Bedroom One

A generously sized double bedroom with a uPVC double glazed window to the rear elevation, central heating radiator, telephone point, and TV point.

Bedroom Two

With a uPVC double glazed window to the front elevation, central heating radiator, and telephone point.

Bedroom Three

Featuring a uPVC double glazed window to the front elevation, central heating radiator, and a useful over-stairs storage area.

Family Bathroom

Appointed with a three-piece suite comprising a low-level WC, wash hand basin with mixer tap, and panelled bath with shower over and glass screen. Complemented by tiled wall coverings, a heated towel radiator, extractor fan, and a frosted uPVC double glazed window to the rear elevation.

Garage

With an up and over door to the front elevation housing the gas meter, electrical consumer unit, electric meter and a central heating combination gas boiler with workspace and space under for freestanding white goods
