## Dining Room

The property is entered via a composite front entrance door into the dining room, which benefits from a UPVC double-glazed window to the front elevation. The room features a central heating radiator and master telephone point, and provides access to the lounge via an internal sliding door.

## Lounge

Positioned to the rear of the property, the lounge enjoys a UPVC double-glazed window overlooking the garden and features a central heating radiator. A bespoke focal fireplace with a timber Adam-style surround adds character to the room. The staircase rises to the first-floor landing and houses the electrical consumer unit, with a useful under-stairs storage cupboard. An internal sliding door provides access to the kitchen.

## Kitchen

The kitchen benefits from two UPVC double-glazed windows to the side elevation and is fitted with a range of matching base and eye-level storage cupboards and drawers, complemented by wood-block drop-edge preparation work surfaces. Integrated appliances include a four-ring stainless steel gas hob with matching extractor hood, oven and grill, along with a composite sink and drainer with mixer tap. There is plumbing and space for freestanding and under-counter white goods, a central heating radiator, smoke alarm, and a UPVC double-glazed door providing direct access to the rear garden. An internal sliding door leads to the cloakroom WC.

## Cloakroom/W.C.

The cloakroom is fitted with a UPVC double-glazed frosted window to the rear elevation and comprises a low-level WC with continental flush, floating wash hand basin with mixer tap and tiled splashback, and a central heating radiator. The room also houses the central heating combination gas boiler.

### Landing

The landing provides access to the loft space via a loft hatch and features a central heating radiator. Internal sliding doors lead to the first-floor accommodation.

### Bedroom One

The principal bedroom benefits from a UPVC double-glazed window to the front elevation and a central heating radiator. A useful built-in over-stairs wardrobe provides hanging space, and a staircase rises from the room to the attic space.

### Bedroom Two

A second double bedroom with a UPVC double-glazed window to the rear elevation, central heating radiator, and a feature fireplace.

### Bathroom

The family bathroom features a UPVC double-glazed frosted window to the rear elevation and is fitted with an impressive four-piece suite comprising a low-level WC, freestanding roll-top bath, vanity wash hand basin with chrome mixer tap and tiled splashback, and a double walk-in shower cubicle with waterfall showerhead. Complementary tiling is provided to both floor and wall coverings, with additional features including central heating radiators and an extractor fan.

### Outside

To the front of the property there is a gravelled and hard-landscaped area with established planting, enclosed by metal fencing and gate, with a shared pedestrian pathway providing access to Gas Street. To the rear, the garden features a lawned area with planted borders, complemented by hard landscaping and enclosed by brick and timber boundaries. A timber garden shed provides useful storage, while a driveway to the rear offers off-road parking for two vehicles.
