Hallway

The property is accessed via a welcoming entrance hallway, entered through the front entry door. The hallway is fitted with a central heating radiator and provides internal door access to the principal ground floor rooms.

W.C.

A conveniently situated ground floor WC comprising a corner wash hand basin, a low-level WC and a central heating radiator. The room benefits from natural light via a UPVC double glazed obscure glass window to the front elevation. The electrical consumer unit is also housed within this room.

Lounge

A well-proportioned reception room, featuring a UPVC double glazed window to the front elevation which allows for an abundance of natural light. The lounge is served by two central heating radiators and is fitted with both a telephone point and TV aerial connection. A useful under-stairs storage cupboard provides practical storage solutions, while the staircase rises from this room to the first floor landing. A smoke alarm is fitted, and an internal opening leads through to the kitchen diner.

Kitchen/Diner

An excellent open-plan kitchen and dining space with a UPVC double glazed window to the rear elevation, together with a set of UPVC double glazed doors providing direct access to and views over the rear garden. The kitchen is comprehensively fitted with a matching range of base and eye-level units comprising double storage cupboards and drawers, set beneath solid wood block work surfaces with complementary tiled splashbacks. Integrated appliances include a stainless steel sink and drainer with mixer tap, a hob with stainless steel extractor hood above, and an oven with grill. Additional plumbing and space is provided for freestanding under-counter white goods. Attractive flooring completes this versatile space.

Landing

The first floor landing provides access to the loft space via a loft hatch. An airing cupboard houses the central heating system, incorporating a Viessmann gas boiler with eye and base-level shelving. A smoke alarm is fitted. Internal doors lead off the landing to all three bedrooms and the family bathroom.

Bedroom One

A generous principal bedroom with two UPVC double glazed windows to the front elevation, allowing for excellent natural light. The room is served by a central heating radiator and is fitted with both a telephone point and TV aerial connection.

Bedroom Two

A well-proportioned second bedroom with a UPVC double glazed window overlooking the rear elevation. The room benefits from a central heating radiator, telephone point and TV aerial connection.

Bedroom Three

A versatile third bedroom with a UPVC double glazed window to the rear elevation. The room is served by a central heating radiator, telephone point and TV aerial connection.

Bathroom

The family bathroom is appointed with a modern three-piece suite comprising a low-level WC with continental flush, a wash hand basin with mixer tap, and a panelled bath with a glazed shower screen and shower over. Attractive tiling is fitted to the wall coverings. The room is further served by a central heating radiator and a mechanical extractor fan.
