

Mansell Close is a well-presented home offering practical and well-balanced accommodation, with spacious rooms and useful built-in storage throughout.

The property is entered via a UPVC double-glazed front door leading into a welcoming hallway with access to the electrical meter and consumer unit. The front lounge features a bay window, fireplace with Adam-style surround, understairs storage, and a staircase rising to the first floor, creating a comfortable main living space. The kitchen/diner provides a functional and sociable area for everyday living and dining.

To the first floor, there are three bedrooms, each well-proportioned and benefiting from fitted or built-in storage. The accommodation is completed by a family bathroom fitted with a three-piece suite including a shower over bath.

Further benefits include UPVC double glazing, gas central heating, and a practical layout suited to a range of buyers. The property also offers off-street parking arrangements situated in a block row.
