Families will be pleased to know that the local village primary, St Mary's CofE on Bellamour Way, holds an Outstanding rating from Ofsted. The designated secondary school is The Hart School in Rugeley, which we understand provides a school bus service to cover the 2.2-mile journey. As always, we recommend that prospective buyers verify catchment arrangements directly with the local authority.

Beyond the school, Colton has a welcoming community feel, with The Greyhound Inn offering a traditional local pub and a village hall hosting regular community events. Rugeley town centre is just a short drive away, where shoppers will find a good selection of supermarkets including Tesco, Morrisons and Aldi. A little further south lies the stunning Cannock Chase, with the popular Birches Valley site providing excellent trails and facilities for walking, cycling and horse riding.

Colton sits to the north of Rugeley, placing it just a five-minute drive from the A51 — a key route providing excellent connections to Lichfield, Stafford and Stoke. On the other side of Rugeley, the A460 offers straightforward access to Hednesford, Cannock and the M6 motorway.

The closest train station to this property is Rugeley Trent Valley, served by both the West Coast Main Line and Chase Line.
