## BUSINESS RATES

The Rateable Value from the 1<sup>st</sup> July 2023 is £6,800. Boston Borough Council's policy :

Small Business Relief

The current rateable value for small business rate relief is £15,000. The maximum amount of relief that can be awarded is 100% for properties with a rateable value of less than £12,000 and where the ratepayer occupies it as their sole property. Properties with rateable value between £12,000 and £15,000 are entitled to a proportion of relief up to 100%. Properties with rateable value of between £15,000 and £51,000 will not receive relief but will still benefit from the lower rate multiplier.

For those businesses that take on a additional property which would have meant the loss of small business rate relief, the government confirmed that they are allowed to keep that relief for the period of 12 months.

If you would like to apply for small business rate relief simply contact Boston Borough Council on 01205 314200 or email the business rates team.
