ACCOMMODATION

From the private driveway and around a path to the part-glazed UPVC front door with a glass panel to the side, and into the hallway. A cloakroom has a white suite with a wash hand basin and w.c., with a high-level window.

A further door leads into the inner hall, with laminate wood flooring. Glazed double doors open to the spacious sitting room, having both front and rear aspect. The room has wall-mounted uplighters as well as LED downlighters. A gas fire adds warmth and character (agent's note: the chimney flue has been lined so the fireplace could be converted to house a wood burning stove). The living room opens to the rear garden through glass French doors. Across the hallway is a further reception room, which would make a good family room or home office, with a window to the front.

From the hallway, a door opens into the open-plan kitchen/diner with bi-fold doors out to the garden. The dining area would fit an 8-10 seater table, and conveniently opens into the recently refitted modern kitchen with a large roof lantern providing natural light and with a range of white gloss wall and base units. Integrated appliances include a fridge, a dishwasher, a double oven, a 4-burner gas hob, with stainless steel extractor hood, a microwave, and a 1 1/2 bowl stainless steel sink set into a Formica worktop. A kick-plate heater is connected to the central heating. Generous under-stairs storage can be accessed from the kitchen. Beyond the kitchen lies the laundry utility room, with a sink, cabinets, and electric control for the Velux window. There is a gas boiler that has a pressurised hot water cylinder, and a washing machine and tumble dryer. An external UPVC door opens to the side of the property. An internal door leads to the garage storage area, with an up-and-over door.

Up the carpeted stairs to the landing, where a large window provides ample natural light into the stairwell, and with a storage cupboard with slatted shelves.

The generous principal bedroom has laminate wood flooring, a window to the front, and benefits from fitted wardrobes and a large ensuite shower room with a

pair of wash hand basins, a w.c., a shower, and a heated towel rail.

Bedroom 2 is a double with a window over the rear garden.

Bedroom 3 is a smaller double, with a window to the rear.

The family bathroom has a bath with shower over, floor-to-ceiling tiles, a wash hand basin, a w.c., a storage cabinet and a heated towel rail.

Outside

The property has both front and rear gardens. To the rear, the fenced enclosed rear garden is laid to both patio and lawn, with mature shrubs. A storage shed is located along the side of the property.

The front of the property has a generous lawn enclosed by trimmed hedging for privacy, and would make a good sun-downer terrace.
