ACCOMMODATION

A beautifully presented link-detached house built in the first tranche of Highlands Park properties, and further developed by the current owner.

Located in a popular residential neighbourhood, about 1.5 miles from Henley town centre, convenient for local schools, and on the doorstep of spectacular open countryside, this comfortable 3 bedroom home is presented in excellent condition.

Through a front garden with a paved path, laid to lawn and enclosed by a brick and flint wall, leads to a covered entrance porch with an oak-panelled part-glazed front door.

From the entrance hall, the cloakroom has a wash hand basin and w.c., a tiled floor and walls, and a small window.

A solid oak door opens into the bright and attractive open-plan kitchen/dining room. The kitchen has a range of white gloss wall and base units, quartz composite worktops, a 1 1/2 bowl sink beneath a window to the side of the property, and a composite splash-back with concealed lighting under the wall units. A 4-ring induction hob has an integrated extractor hood over. Further integrated appliances include an electric oven and a fridge/freezer.

The dining area has a front aspect window with plantation shutters, recessed spotlights set into high ceilings, room for a dining table and chairs, or a banquette seating arrangement; with Amtico flooring with underfloor heating.

The generous sitting room has ample fitted bookshelves, and is carpeted with underfloor heating. It is a bright room with plenty of natural light, with French doors and fixed windows either side that open to the private rear garden. A large under-stairs cupboard provides useful storage.

Carpeted stairs lead to the first-floor landing, from where you can access the loft.

The spacious principal bedroom is a large double, carpeted, with fitted wardrobes with soft closing sliding doors. There is a picture window front aspect with plantation shutters. The attractive en suite shower room is tiled, with Amtico flooring. It comprises a large walk-in shower with glass screen, a single frosted-glass window, a w.c., a wash hand basin with two

drawers under and a heated towel rail.

Bedroom 2 is a carpeted double bedroom, with fitted wardrobes with soft-closing sliding doors and a rear aspect picture window with plantation shutters.

Bedroom 3 is a carpeted single bedroom, currently in use as a home office. The rear aspect window has plantation shutters overlooking the rear garden.

The family bathroom is tiled, with Amtico flooring. It has an enamel bath with shower over, and a frosted window over the wash hand basin, which houses two drawers under, a w.c., and a heated towel rail.

There is a large airing cupboard providing useful storage from the first floor landing.

Outside

The landscaped rear garden is enclosed by a brick wall with the addition of hand-built cedar privacy screening. It has been lovingly converted into a private and attractive space, suitable for an al fresco lifestyle and entertaining. It has a low-maintenance artificial lawn, with a Brazilian slate-tiled path and Western Red Cedar decking, with well-stocked raised beds. The rear door of the garage can be accessed from the garden.

To the front, a brick-paved driveway allows parking in front of the single garage door. An electric garage door provides access to a long single garage with a rear access door to the garden. The garage has been extensively fitted out with multiple power sockets (regular 13amp, as well as 16amp and 32amp), dedicated WiFi, lighting and wired-in fan heating, to create a well-constructed workshop space. The garage also features ample storage beneath its eaves.
