ACCOMODATION

Offered for sale with no onward chain and set in the heart of Henley-on-Thames, this beautifully presented first-floor apartment that offers a rare combination of town-centre living, a peaceful rear bedroom and a secure parking space. This makes it ideal for investment as a short let property.

Upon entering the building from Bell Street, the carpeted communal hall has stairs leading to the apartment, which has an intercom entry system. The front door of the apartment opens into the entrance hall which leads through to the bright, open-plan kitchen, dining and living room which benefits from a sash bay window and a further sash window to the front elevation which brings plenty of natural light into the room. There is ample space for a comfortable seating area, while an island with a breakfast bar separates the living space from the kitchen.

The contemporary kitchen has white cabinetry, wood-effect flooring, an integrated fridge freezer and dishwasher, an induction hob with an extractor above, and space for a washer/dryer. Spot lighting gives the room a clean, modern finish, and there is a separate boiler cupboard.

The carpeted double bedroom is positioned at the rear of the building, away from the bustle of the street. It has a fitted wardrobe and a sash window to the rear elevation. The shower room has tiled walls and flooring, underfloor heating, a walk-in shower, vanity basin and heated towel rail. The rest of the apartment is heated by electric heaters, and a fire alarm is also fitted.

Externally there is an allocated parking space in a gated area located off Waitrose carpark and accessible via a coded boom barrier.
