ACCOMMODATION

The property has real kerb appeal, with a most attractive front elevation featuring brick, exposed black timber beams and contrasting white painted rendering. The property was renovated in 2016, when it was re-wired, re-plumbed, and had replacement windows throughout.

A brick paver driveway provides off-road parking and access to the part-glazed front door with covered entrance porch and an external light.

The entrance hall has stairs leading to the first floor, a useful cloaks cupboard, and doors to the reception rooms, kitchen and under-stairs storage.

The family room is a bright south-facing room with a bay window with double-glazed leaded light windows. There is a picture rail, and the ceiling has recessed spotlights and exposed beams.

The sitting room has leaded light windows overlooking the rear garden, and a fireplace housing a wood-burning stove in a tiled hearth. There's shelving set into the chimney recess, a picture rail, exposed timber beams and recessed spotlights.

The open-plan kitchen and dining room is light and spacious with bi-fold doors to the garden and skylight windows to one end, allowing plenty of natural light into the space. There's a robust limestone flagstone floor with under-floor heating. The modern kitchen has an extensive range of painted 'shaker style' wall and base units, centred around an island which provides further storage, prep space and contains a glass-fronted wine fridge. A further set of cupboards has space for an American-style fridge freezer. Appliances include two electric ovens, an induction hob with hood over, and combi-microwave/convection oven and integrated dishwasher.

A stable-style door opens to the utility room, with further fitted kitchen units and a built-in storage cupboard, a sink unit, plumbing for a washing machine and tumble dryer, a wall-mounted oil-fired boiler, tiled floor and a door to outside.

A further door opens into the modern ground floor bathroom with a white suite comprising a tiled panelled bath with a shower over, a vanity basin with cupboard under, a low-level w.c. and a built-in storage cupboard. The bathroom has underfloor heating and has an airing cupboard housing the hot water tank.

The staircase leads to the first-floor galleried landing from the entrance hall.

Bedroom 1 is a carpeted double with a front aspect and fitted wardrobes either side of the chimney breast.

Bedroom 2 is a carpeted double with a rear aspect and fitted wardrobes, and a further storage cupboard.

Bedroom 3 is a carpeted double with dual aspect and eaves storage

Bedroom 4 is a single bedroom with a rear aspect.

The family shower room has fully tiled walls and a modern suite comprising a corner shower cubicle with a rainfall shower head, a wash hand basin with cupboard under and low-level w.c.

Outside

A particular feature of the property is the beautifully landscaped rear garden. From the dining room there are bi-fold doors which open to the extensive patio terrace, with a semi-circular retaining wall, creating an al fresco dining area and steps leading up to the lawn.

Along the top of the wall there is an established lavender bed, trees and to the right-hand side is a further patio with a timber frame pergola, offering space for garden furniture, with views across fields and woodlands.

To the rear of the garden there is a field with some resident horses.

The detached studio is a purpose-built home office with light and power, hardwired access to the internet, and glazed French doors to the front.

Hidden behind the office is a small shed and gated access to the oil storage tank.

At the end of the garden is a further patio area with built-in brick pizza oven and food preparation surfaces.

To the front of the property there is an area of lawn with shrub borders and a high hedge. There is a drive that provides off-road parking and access to the store with double doors to the front ideal for storing bikes, golf clubs, paddle boards etc.
