The combined space of the ground floor bedroom with en suite, the dining room, and the kitchen utility laundry room can be used together as a full ground floor annex, allowing multi-generational living. An external door is located in the dining room, enabling independent access to this annex.

A painted wooden staircase, with an attractive stair runner, lead to the first-floor galleried landing with a window overlooking the rear garden. A storage cupboard contains the combination gas boiler.

The principal bedroom is notably spacious, with fitted cherry-wood wardrobes, stylish bedside lighting and a front aspect. It is complemented by an en suite shower room with a modern suite comprising a shower cubicle, w.c. with concealed cistern and a wash-hand basin.
