## ACCOMMODATION

The attractive bay-fronted elevation is a 2-tone brick with decorative features. The pedestrian gate opens into the front garden with ornate tiling. A part-glazed front door leads into the entrance hall, with 'French Weave' patterned Amtico flooring, and fitted with useful bespoke storage cupboards and a boot-room style bench seat.

The generous front sitting room has a large bay window to the front, a Victorian cast-iron fireplace, high ceilings and further Amtico flooring. It is currently in use as a playroom but would make a comfortable further reception room or a generous home office.

Up a step into the main accommodation with a staircase leading to the first floor. The cloakroom has a white suite comprising a w.c. and wash-hand basin.

The main living area is a very sociable open-plan space. The living room has space for multiple sofas, and features sliding doors to the courtyard garden and space for a small dining table.

The modern kitchen features contemporary walnut-style wall and base units, with quartz composite worktops and on the island with breakfast bar, and attractive lighting over. Integrated appliances include a fridge freezer, a dishwasher, a double oven, a microwave and an induction hob. The sink sits beneath a window to the side. There is a hidden door to the rear of the kitchen leading into the utility room, with additional wall and base units and space for a washing machine and tumble dryer, a stainless steel sink, and a window to the rear. From the kitchen, a set of bifold doors is set into an exposed brick wall, and leads out to the patio garden.

The central staircase is carpeted, with oak and safety glass balustrades.

From the carpeted first-floor landing with a west-facing window to the side, and into the sumptuous principal bedroom suite. With a pair of windows to the front, with fitted plantation shutters, this very large double bedroom has fitted panelling and wall-mounted bedside lighting. Through to the en suite with a walk-in shower, a generous vanity with drawers under, a w.c. and a heated towel rail. The carpeted dressing room also serves as bedroom 4, and has a bright south-facing aspect, fitted wardrobes and ample space for free-standing dressing table. A door leads into the airing cupboard, with the gas boiler and

the 'megaflow' pressurised hot water tank. A second door leads out to the hallway.

The family bathroom has a window to the side with plantation shutters, and features decorative panelling, a freestanding bath, a w.c., wash hand basin in a vanity unit and a heated towel rail.

Bedroom 3 is a carpeted single bedroom with a south-facing aspect and with wall-to-wall fitted wardrobes.

A carpeted staircase leads to the second generous double bedroom (2) with generous proportions and dormer windows on 2 aspects, with fitted plantation shutters. The room has a number of integrated wardrobes. The en suite bathroom has a tiled walk-in shower, with a wash hand basin set in a drawer vanity unit, with a w.c. and heated towel rail.

## OUTSIDE

The property has made the most of outdoor space, with an enclosed paved courtyard dining area with raised beds and attractive planting. Up some steps to a further rear garden space with convenient artificial grass and a garden shed. A pedestrian gate leads through the fencing out to the paved area with 2 private parking spaces, accessed from Albert Road.
