ACCOMMODATION

A private lane and gated gravel driveway leads you through the landscaped gardens. The house has a French style appearance, with a tiled verandah, cream painted exterior and 'Pigeon Green' woodwork with shutters.

The vintage wooden front door has a decorative glazed panel and opens into the dramatic entrance hall - with a vaulted ceiling, decorated in bold colours and with an oak wooden floor and window overlooking the garden. From this hallway, a step up leads to the boot room, with a stable door to the rear patio area. A lavish cloakroom features a w.c. and wash hand basin.

Through a pair of glazed French bistro-style doors and into the main house, with the drawing room - carpeted and with feature wallpaper, this room has windows to the front overlooking the garden, a particularly ornate French wood burning stove, and door through to the inner hallway. From the hallway, the utility laundry room sits to the side, with a door to the rear patio, with a Belfast sink, the oil fired boiler, and with space for a washing machine and tumble dryer.

Through the hallway to the dramatic modern country-style kitchen. Featuring a striking palette of Farrow-and-Ball 'Arsenic blue' and green paint colours and Charcoal shaker-style wall and base units, with rustic tin tiles behind the Aga. Integrated appliances including a dishwasher, a fridge-freezer, and a double oven unit. The island contains the Belfast sink and there is a quartz composite work-surface throughout the kitchen. There is a matching Arsenic blue electric Aga range cooker, and a separate 4-ring propane gas hob. The kitchen opens into the grand oak-framed vaulted dining room - with space for a large rectangular table, and with a pair of french doors leading out to the rear patio area - a walled space suitable for private dining or peaceful quiet time.

From the kitchen, a door leads to the smaller 'snug' reception room, with original wood block flooring carpets, a wood-burner, wall-mounted lighting and a window overlooking the garden. Through to the oak-beamed conservatory-style garden room - a robust and welcoming space, with a panoramic view of the garden, vaulted ceiling and stone floors. It has doors to the garden.

The inner hallway leads to the carpeted staircase, where a skylight adds natural light above

the carpeted landing.

The principal bedroom suite is opulent, with a rich colour palette, dual aspect windows, space for a super-king sized bed. Through to the en suite bathroom, with a pair of wash hand seashell basins set into a pink marble-topped vanity, a free-standing clawfoot bathtub, a w.c., a heated towel rail and a walk-in shower with attractive peacock blue tiles. Through to the carpeted dressing room, fitted with wall-to-wall cupboards and a window for natural light.

Bedroom 2 is a double bedroom, carpeted, with fitted wardrobes and a window to the front.

Bedroom 3 is a double bedroom, carpeted, with fitted wardrobes and a window to the front.

There are 2 further bathrooms. One with a cast-iron panelled bath, heated towel rail, w.c. and wash hand basin. The other with a walk-in tiled shower, heated towel rail, wash hand basin set into a pink marble-topped vanity, and a w.c.
