ACCOMMODATION

Past the gravel driveway and the garage, the house features a broad brick and vinyl cladding exterior. A porch leads through a part-glazed wooden front door into the entrance hall, with original parquet flooring. A large open-plan sitting and dining room has a west-facing picture window to the front, and French doors to the UPVC conservatory, patio and garden at the rear. The room is carpeted, with pendant lighting and a gas fireplace in a brick hearth.

A cloakroom has a wash-hand basin and a w.c., accessed via the entrance hall. There is an under-stairs cupboard housing the services.

The original 1960s kitchen is in need of refurbishment, but provides a good space overlooking the rear garden. Featuring fitted wall and base units, a Formica worktop and tiled splashbacks. There is a gas 2-ring hob, an electric double-oven and a stainless steel sink 1 1/2 bowl sink. A window overlooks the rear garden and there is a part-glazed door out to the patio and garden. An outdoor storage/utility room has a wooden door, and there is a wooden gate providing secure pedestrian side access from the front of the property.

A wide carpeted staircase with wooden banister leads up to the landing. Double cupboards - including an airing cupboard - provide useful storage.

Bedroom 1 is a large double bedroom, carpeted, with 2 windows and a glass door out to the balcony to the front, with a pendant light. A large walk-in cupboard provides generous storage and could be converted into an ensuite.

Bedroom 2 is a large double bedroom which is carpeted, and has a picture window to the front, a fitted wardrobe and a pendant light.

Bedroom 3 is another comfortable double bedroom, with a window over the rear garden. There are fitted wardrobes and a pendant light.

The family bathroom is a very spacious room, with a bath, a wash-hand basin, and a

window to the rear. A separate room contains the w.c..

The house has central heating run from a gas boiler. The windows are double-glazed UPVC.

Outside

The garage is attached to the front of the property, and is accessed via a wooden door next to the front door. It has lights, power and an up-and-over garage door. A pretty front flowerbed adds character to the exterior.

The generous rear garden is fully enclosed, with plenty of sun throughout the day, with lawn, and with specimen trees, shrubs and mature planting in the flower beds. The previous owner enjoyed collecting roses and camellias. Some cutting back of the shrubs and hedges (and removal of old trelliswork) would reveal the full extent of the garden. A shed provides useful storage.
