ACCOMMODATION

From the paved driveway, the house has a classic red brick silhouette complete with neat ornamental brickwork. A part-glazed wooden front door leads directly into a draft lobby. A further glazed door opens to reveal a large living room with a window to the front aspect, wood veneer floors and a fitted shelving unit under the stairs.

A staircase is situated at the rear of the living space.

The separate dining room enjoys two double-glazed windows which offer views of the Chilterns to the rear. There is plenty of space for a large dining table, and attractive red-tiled flooring extends to the kitchen.

The space has been well adapted in the kitchen with fitted wall and base units in a wooden shaker style, set into a horseshoe shape. Integrated appliances include a 4-ring electric hob, with an extractor hood over, and a double oven. There is space for a dishwasher, a washing machine and for a free-standing fridge-freezer. Set into a formica work surface there is a large stainless steel sink, and a tiled splashback extends around this well-lit space.

From the sitting room, a carpeted staircase and wooden bannisters lead to the landing, with access to the attic hatch.

Bedroom 1 is a large carpeted double with two well-sized windows overlooking the Chiltern Hills and the local tennis club. Connected is a three-piece shower-room en-suite with a low-level W/C and a corner shower with baby blue tiles.

Bedroom 2 is best suited for a single bed with space for a further desk/study area. A window has a front aspect, and there is a central ceiling light.

Bedroom 3 is another well-proportioned carpeted single with a double-glazed window to the front aspect, with space for fitted wardrobes.

The family bathroom has been renovated over the years and has a modern feel. The tiled room features a low-level W/C, a heated towel rail, as well as a large bath with additional mobility features, and a hand wash sink. The airing cupboard is located to the rear with ample space for drying towels.

The house has a 'Hive' central heating system which manages the gas boiler, and which can be controlled from the living room and via a mobile phone app. The windows are all Double glazed.

Outside

The single garage is integrally attached to the front of the property and is accessed via the up-and-over garage door.

The rear garden is fully enclosed, with mature shrubs, trees and planting, and with side access for bikes and bins. When cut back and landscaped, this paved garden presents a fantastic opportunity for gardening enthusiasts to create a welcoming outdoor space.
